

Vote

Solicitation: On the Release of the *Regulations* - *Voting Management (1st Edition)*

Voting Instructions

Dear participants,

Hello! To ensure a fair and orderly voting process, please read the following voting instructions carefully:

1. **Voting Eligibility:** Only registered/certified legal participants can vote, with a limit of one vote per person.
 2. **Voting time:** Start and end time: 0:00 on July 21, 2025 to 0:00 on July 27, 2025 (subject to system time). Late submissions are considered invalid.
 3. Fill in the rules:
 - Please check the box as required by the options (e.g., single selection/multiple selection), and ballot papers that are altered, blurred, or out of range will not be valid.
 - It is strictly forbidden to add marks, signatures, and other information on ballots that may reveal identity.
 4. The principle of fairness
 - Violations such as ticket swiping, fraudulent identity, and technical tampering are prohibited, and violators will be disqualified and held accountable.
 - No bribery or coercion of others to vote in any form.
 5. The results were announced
After the voting is over, the results will be announced on official channels within 3 working days for supervision.
 6. Other Notes:
 - In case of system failure or force majeure factors, the management studio has the right to adjust the voting arrangement and notify you.
 - The final interpretation of this event belongs to the Management Studio.
- Please participate in good faith and jointly maintain justice!
